INSTRUCTION AND GENERAL INFORMATION FOR MULTI INSTALLATION

This is a completely new installation program for Scania Multi.

A new feature is that each DVD is a separate and complete installation. But DVD 1 must still be installed completely before DVD 2.
NB. The installation is a time consuming process and could take up to 1 hour per DVD, depending on hardware etc.
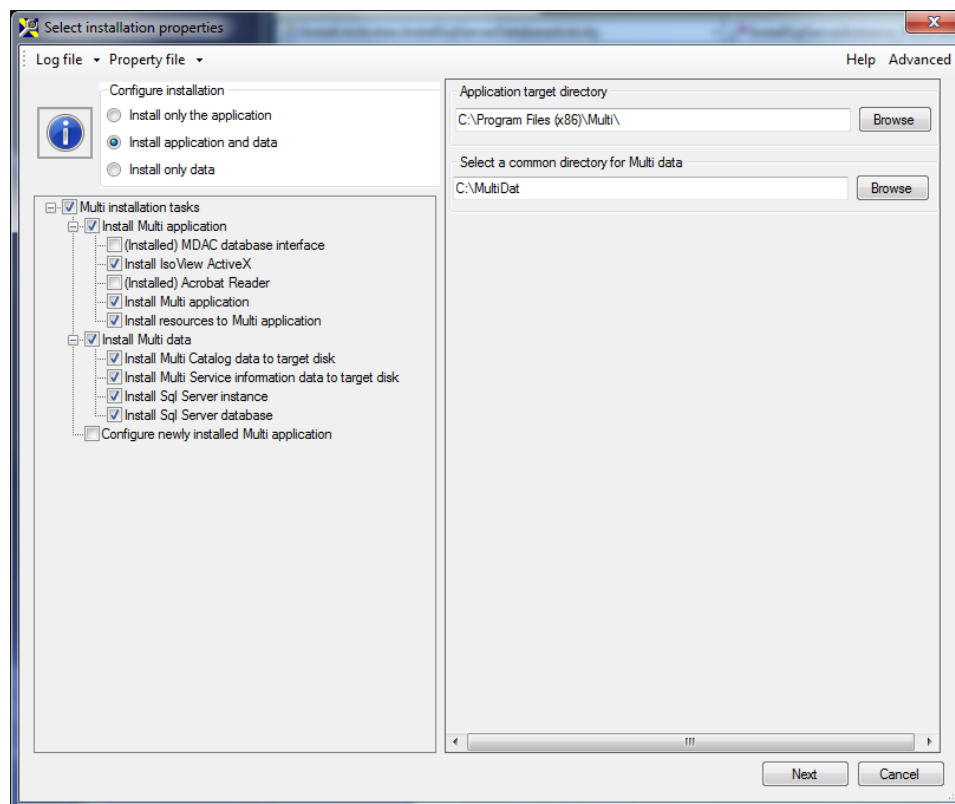

Installation of DVD 1

Acknowledge Multi license

Software license agreement SCANIA MULTI

PARTIES:
- SCANIA CV AB, SE-151 87 SÖDERTÄLJE (the Licensor)
- SCANIA IMPORTER, DISTRIBUTOR/DEALER OR SERVICE POINT (the Licensee)

PREAMBLE:
Scania CV AB has created a computerised program, including databases, called Scania Multi. Scania will deliver this program to its authorized distributors/dealers and service points and grant them a non-exclusive license to use it and its associated documentation upon the terms and conditions hereinafter contained:

1. Definitions
In this Agreement, unless the context otherwise requires, the following expressions have the following meanings:
The License means the license granted by the Licensor pursuant to this Agreement.
The Licensed Work means all the computerised software program and databases for Information processing, software modules and all updates, modifications, versions, enhancements, user's manuals, and all related documentation delivered by the Licensor hereunder, but does not include information, supplied only by the Licensee.
The Media means any means for distributing the Licensed Work including but not limited to floppy disks,
hard disks, tape cassettes, laser discs, CD- ROM discs, and modem transfer.
User means any person authorised under this Agreement or permitted sub-license agreements to have access to the Licensed Work.

2. Products and services to be provided
The Licensor agrees to:
    (1) Grant to the Licensee a non-exclusive license to use the Licensed Work
    (2)   Deliver the Licensed Work to the Licensee
    (3)   Provide future up-dates to the Licensed Work.

3. License
3.1 The Licensor hereby grants to the licensee a non-exclusive and non-transferable license to use the Licensed Work, subject to the terms and conditions hereinafter contained.

☐ Accept the license to continue the installation   OK   Cancel

- The first dialog is recognizable from the earlier installation programs. Just read the terms and if you accept them, click in the tick box and the click "OK" to initiate the installation.
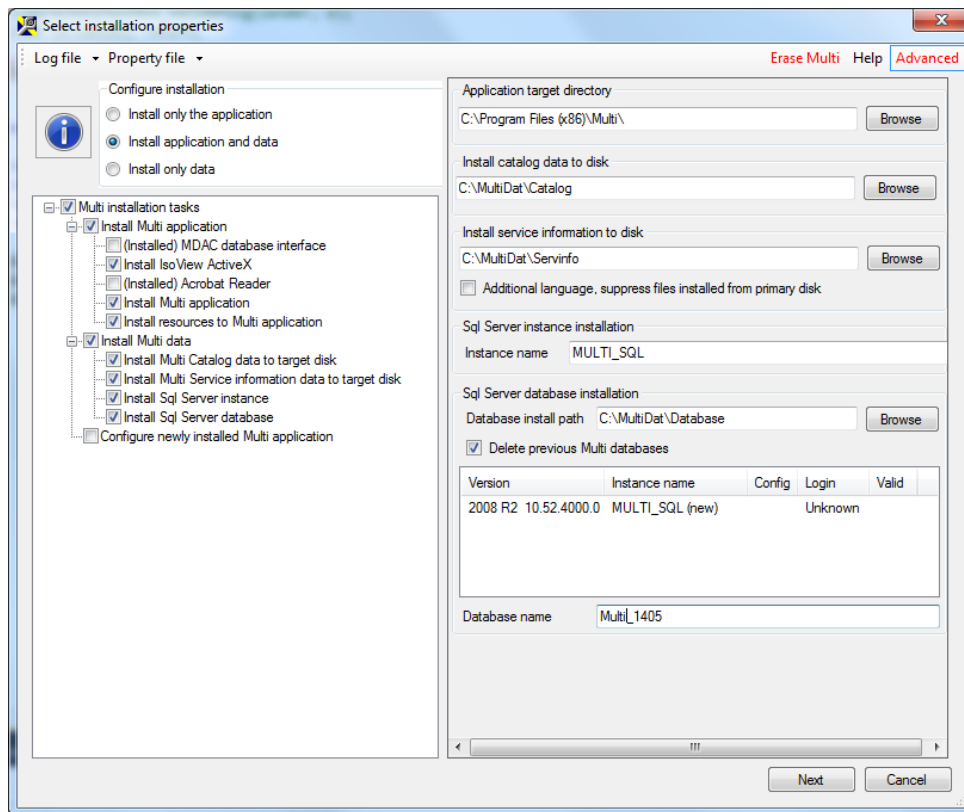

The installation dialog.

- To clarify a few things that might look strange in the installation dialog, see explanation below the illustration.

- Some checkboxes are ticked and som are not. This is because the installation program detects already installed components, in this case MDAC (system component). This also applies for isoView, adobe Reader.
- This is the easy way to install Multi.

Advanced installation dialog.
If there is a need to untick one or more of the tick boxes, see illustration below

Click on the button named "Advanced". Now it is possible to tick and untick different choices.

**Installation progress dialog, DVD 1.**

This information dialog will be shown on screen until the installation is complete. The symbols will change when the particular part of the installation is completed.

Installation of DVD 2. (The following pages applies only to the installation of Multi Authorized and Multi Service)

The installation of DVD 2 starts in exactly the same way as the DVD 1 installation. You have to click in the tick box and the "OK" to initiate the installation of DVD 2.

The installation dialog for DVD2.

The installation dialog for DVD 2 only shows what can be installed from that disc.

Installation progress dialog, DVD 2.

This information dialog will be shown on screen until the installation is complete. The symbols will change when the particular part of the installation is completed.
